BIOTREAT HC

P543.0503

OBM Drilling

Product Description

BIOTREAT HC is a synergistic blend of all natural microorganisms specially designed to accelerate the ability of heavy, tarry types of hydrocarbons such as oil, coal tars and organic sludges to biodegrade.

Product Function

BIOTREAT HC is recommended for BIO remediation of hydrocarbon industrial waste contamination, particularly at petroleum and natural gas refining and petrochemical facilities.v

Features and Benefits

BIOTREAT HC is completely natural, non–pathogenic and non–toxic, chosen for their safety value and their synergistic ability to metabolize hydrocarbons and other contaminants and convert them into carbon dioxide and water. - Digests Short and Long Chain Hydrocarbons. - Digests Petroleum Spills in both SOIL and WATER. - Non–Caustic / Non–Acidic. - Eliminates future liability risks associated with offsite disposal.

Recommended Treatment

For optimum product performance, hydrate BIOTREAT HC granular before application. Thoroughly mix each pound of dry product with two gallons of warm (approx 70 F) water from the wastewater to be treated. Allow the mixture to hydrate for two hours, stirring vigorously every ½ hour. A pH adjuster may be added to the waste stream, if necessary, to obtain the preferred pH range of 6.8 to 7.4.

International Shipping References

Transportation of BIOTREAT HC is not restricted by any regulatory agency.

Standard Packing

BIOTREAT HC is packaged 25lbs and 50lbs net carton pail.

Safe Handling Recommendations

Utilize normal precautions for employee protection when handling chemical products. Utilize appropriate respirator, gloves, goggles and apron. Refer to the Material Safety Data Sheet (MSDS) for this product prior to use.

Typical Physical Properties

- Physical State: Solid
- Reservoir Compatible: Non-Reservoir
- Sub Category: HC Degradation
- SG value: 1.5
- pH (10% solution): 7 - 8
- Max Temperature: 250
- Category: Bioremediation
- Product Tier: Premium
- Appearance: Free flowing tan powder
- Bulk Density: 500 - 800
