OUR OPERATIONS FOCUS ON ENGINEERING AND OILFIELD SERVICES, LOCAL MANUFACTURING, REPRESENTATION AND INVESTMENTS. WE PROVIDE TECHNICAL VALUE ADDED SOLUTIONS TO A BROAD AND LONG ESTABLISHED CUSTOMER BASE.

DRILLING FLUIDS SOLUTIONS
A MAZRUI ENERGY SERVICES COMPANY

Petrochem Performance Chemicals Limited L.L.C.
(PPC)

Established in Abu Dhabi since 1993

is one of the largest regional providers of drilling fluids products and engineering services in the Oil & Gas industry in U.A.E., Kuwait, Qatar, Iraq & Yemen.

PPC Drilling Fluids Solutions

- Designs and develops mud systems
- Provides customized technical solutions in drilling and completion fluids
- Solids control equipment
- Production chemicals
- Filtration units
- Waste management
- Engineering services

DRILLING FLUIDS SOLUTIONS
A MAZRUI ENERGY SERVICES COMPANY

PPC has capability to meet client requirements

- Bulk chemical handling
- Construction and management of Liquid Mud Plants
- Management of base facilities
- Resolution of logistical challenges within a short period of time

DRILLING FLUIDS SOLUTIONS
A MAZRUI ENERGY SERVICES COMPANY

PPC Commitment

- PPC is committed to providing reliable and economical solutions while maintaining industry best practices and reducing risk.
- PPC is committed to Health, Safety, Environment, Ethics and Quality in all its activities.
- PPC team is focused and solutions driven, collaborating with our customers to deliver tailored technical advantages and value, to meet customer deliverables.

DRILLING FLUIDS SOLUTIONS
A MAZRUI ENERGY SERVICES COMPANY

PPC Management Expertise

- More than 150 Years collective Oil & Gas expertise
- In-depth understanding across the entire Oil & Gas value chain
- A unique combination of global expats from a variety of international backgrounds
- Bringing global and international experience to a local context
- Allowing our clients to benefit from this vast knowledge to maximize their operation

PPC Solutions Driven

PPC Drilling Fluids

- WBM systems
- HPWBM
- OBM systems
- SOBM systems
- RDF - NDF
- Hydraulic Simulations
- Engineering & Wellsite Supervision

Completion Fluids

- Chloride Brines
- Bromide Brines
- Formate Brines
- Mixed Brines
- Enzyme Cake Breakers
- OBM Cake Breakers
- Wellbore Clean-Up
- Biocides
- Surfactants

Equipment Services

- Centrifuge Units
- Shale Shakers
- Filtration Equipment
- Storage Tanks and pumps
- Bulk Plant Systems
- LMP Build and Operate
- Wellsite Engineering

PPC Specialty Systems

- TRUHIB
- TRUBORE
- TRUPLUG
- VISMIX
- TRUSIL K
- TRUVERT D
- TRUVERT S
- TRUVERT LT
- TRUTHERM
- TRUZONE

Production Chemicals

- Demulsifier
- Scale Inhibitors
- Corrosion Inhibitors
- Paraffin Inhibitors
- Asphaltene Inhibitors
- Biocides
- Surfactants
- Friction Reducers

Waste Management and Reuse

- Dewatering Services
- Drill Cuttings Remediation
- Drill Cuttings Fixation
- Cuttings Dryers
- Tank Cleaning
- Design and Engineering Support

DRILLING FLUIDS SOLUTIONS
A MAZRUI ENERGY SERVICES COMPANY

PPC Equipment & Waste Management

Providing a wide range of equipment supply and support for all drilling operations

- Liquid Mud Plants
- Bulk-Powder Plants
- Liquid Storage Facilities
- Mobile LMPs & Laboratories
- Solids Control Services
- Filtration Services
- Cuttings Treatment and Disposal
- Fluids Reuse and Recycling

DRILLING FLUIDS SOLUTIONS
A MAZRUI ENERGY SERVICES COMPANY

PPC Central Laboratory

DRILLING FLUIDS SOLUTIONS
A MAZRAI ENERGY SERVICES COMPANY

PPC Lab Capabilities

Linear Shale Swell Meter – LSM 2000

Malvern - Mastersizer 3000

Fann 90 - Dynamic Filtration System

GRACE M 7500

HACH DR 6000

OFITE - Lubricity Tester

Compactor

DRILLING FLUIDS SOLUTIONS
A MAZURI ENERGY SERVICES COMPANY

PPC Erbil Facility

PETROCHEM ERBIL BASE

- 15,000 Sqm. of Open Area
- 10,000 Sqm. of Covered Area
- 400 MT Barite Bulk Handling System
- 24/7 Operational Support

DRILLING FLUIDS SOLUTIONS
A MAZRUI ENERGY SERVICES COMPANY

PPC Kuwait Mud Plant

PETROCHEM KUWAIT BASE

- 16,000 Sqm. of Open Area
- 3,000 Sqm. of Covered Area
- 10,000 bbl. Mud Plant
- 24/7 Operational Support
